Class: Subscription Issue Advertising Info
Description:

Object: Issue Sequence Number
Type: Number
Description: This is the issue sequence number. It is possible for a user to manually create an issue record, and to override what Personify calculates as the next ISSUE_SEQ number. This is allowed, subject to certain rules. The rule is that issue records must stay in order by issue date when sorted by issue_seq number. So the issue date of an issue record must be less th

	an the issue date of any i ssue record where issue_s eq is greater than that re cord's issue_seq number. The the issue date of an i ssue record must be great er than the issue date of any issue record where iss ue_seq is less than that r ecord's issue_seq number.
